

2025 Annual Roadside Trash Cleanup Day

SATURDAY, APRIL 26

The 35th annual spring cleanup of roadside litter will be Saturday, April 26th.

The United Church of Christ in Honeoye is sponsoring a free breakfast for all participants at the United Church of Christ in Honeoye on Main Street starting at 8AM.

The Honeoye Valley Association, organizer of the cleanup, will hand out trash bags and safety vests to participants in the United Church of Christ parking lot.

Many local organizations such as the Rotary, Girl and Boy Scouts and the HVA take part. You can participate as a member of a group or you can also adopt the road or street in front of your home or business as an individual or a family.

Trash will be accepted at the refuse pickup behind the town hall until 11AM.
